29. Assessor, FuLafia Journal of Sociological Studies, Federal University Lafia 2017 - Date.

### **PERSONAL:**

An attractive personality, well discipline, easy-going, astute, neat, hardworking and could equally work under pressure with a lot of ingenuity and innovativeness. An intellectually intimidating personality, you only need to witness the genuinely bewildered consternation interspersed with intimidation involved.

Despite his intimating personality, he is one of those rare intellectuals who can communicate with the lay public; his public lectures are solid testament of his rare gift for communication and intellectual capability.
