TOPIC: PROBLEMS AND PROSPECT OF MANAGING STUDENT HOSTEL IN NIGERIA

STATEMENT OF THE PROBLEM

This study is concerned with the problems faced by poor hostel accommodation as it affects the quality of education in tertiary institutions with particular reference to the university of Uyo. The problem associated with the study is that students in higher institution are been deprived of their sociological and psychological needs as a result of poor hostel accommodation. If immediate measures are not taken, more harms can be caused in the academic pursuit of these students, more psychological pains can also be caused as privacy is to a large extent.

Also student might result to go for off-campus hostels due to the poor management of the schools owned hostel so there is need for exiansion school owned hostels, and its infrastructures.

The aim of the study is to find out the problems and prospects of managing student hostels in university of Uyo Nigeria.
