

## Kogi State Polytechnic 2017/2018 Post UTME and Application Forms

This is to inform all candidates who scored 100 and above in the 2017/2018 Unified Tertiary Matriculation Examination (UTME) and chose Kogi State Polytechnic as first choice or second choice to register for School Post UTME screening exercise online.

Note:

Candidates who didn't choose KSP are required by JAMB to do 'Change of Institution' which will cost N2,500 on the board's website. Thereafter such candidates can then register for KSP Post UTME since their records would have been updated on the KSP UTME candidates list.

Please note that the Change of Institutions on JAMB website will only last for three weeks, it's only two weeks left now since it was opened last week.

Also, candidates can now apply for the HND/IJMB/Pre-ND application forms online.
