2. Premium quality hair cut.
3. Competitive pricing.
4. Flexible hours.

2.8 SWOT

Strengths	Weakness
Team of well qualify personnel	Finance
Skilled personnel	Lack of skills
Opportunity	Threats
Diversifying into unisex cut	Competition from existing barbing salon.
High demand for quality barbing	Unfavorable government policy

SECTION THREE

MARKET ANALYSIS

Chidex barbing salon is a business that has become necessary in today's fast-paced world. There are increasing amounts of customer who have become dependent on two incomes, which has created the necessity barbing salon. There are over 50 barbing salon in this area that provide similar services, each of these has a large client base, and a lucrative business. There is no doubt that there is room in the market for a high-quality barbing salon.

3.1 TARGET MARKET

Chidex barbing salon has a focus on meeting the local need for good hair cut within the 15-mile radius of Anambra. . The target market for Chidex barbing salon is full-time working couples. Referral marketing is the key type of marketing strategy utilized. Maintaining and further enhancing its reputation in the community is crucial to gaining additional market share of this target market

Full-Time Working Couples

The company wants to establish a significantly large full-time regular client base in order to establish a healthy, consistent revenue base to ensure stability of the business. Customer relations are extremely important, as it is imperative to keep the customers pleased in order to keep patronizing our barbing salon.

Part-Time Workers / Drop-Ins

Part-time workers and drop-ins comprise approximately 20% of revenues. While this market is not the primary focus, sufficient flexibility to handle this secondary market is important to producing supplemental revenues.

3.2 TOTAL MARKET VALUATION

Chidex barbing salon is a business that has become necessary in today's fast-paced world. There are increasing amounts of customer who have become dependent on two incomes, which has created the necessity of the barbing salon.

3.3 TARGET COMPANY REVENUE

Our company revenue will come from two parts, promoters will contribute equal amount and a part will be borrowed from the bank

3.4 MARKET TRENDS

With inflation continuing to increase every year, it has become necessary for more customers to rely on two incomes to survive. In turn, this increases the demand for barbing salon. We do not foresee this trend turning in the near future, and intend to capture a share of this market.

3.5 PROFILE OF COMPETITORS

- Barbing salon business is lucrative. As a result, there are many centers that provide quality hair cut in the same area as Chidex barbing salon. Is split between large, commercially-run centers and smaller, locally-owned centers.
- These larger chains compete well because of a good reputation among the consumer market.
- Chidex salon will compete with the small hair cut centers; this is where the main competition lies.

3.6 COMPETITIVE ADVANTAGES

- Chidex barbing salon is confident that this will be a successful venture because of the quality of its managers and the capability of its Staff.
- It offers a lower staff to child ratio, which is appealing to most customers.
- Additionally, the company maintains child hair fee levels that are 5-10% below the average of that of the large commercial chain child e fees.

SECTION FOUR

MARKETING/ SALES STRATEGY

4.1 MARKETING STRATEGIES

As entrepreneurs trained under UNN training program at CEDR Centre, we have to “think big by starting small” in order to grow and expand our product line. For initial market penetration, we shall use;

- Price penetration strategy to achieve a healthy market share.
- We shall also employ a good customer care principle.

- We shall seek to achieve a good customer relationship through customer satisfaction and retention. These we believe will lead to repeat patronage which by extension will help us achieve business survival and growth.

Our goal is to operate a barbing salon for both male and female.

We will attract additional customers to the new center by:

- By using advert on Radio,
- giving discounts for two or more children from the same family,
- distributing flyers in local grocery stores and in the offices and businesses centers.
- Advertising in local newspapers that I will accept unisex barbing.

4.2 REVENUE SOURCES

Revenues will be generated by providing reliable and quality hair cut service.

4.3 SALES STRATEGIES

Chidex barbing salon will make a significant profit through the excellent hair cut of both adult and children. Even though Chidex barbing salon charges less, the company will see profit within the first year due to beneficial word-of-mouth advertising. The company expects to double its' clientele every six months, for the first 18 months.

4.4 PRICING

It is estimated that the start-up expenses will be N300,000 (including legal costs, advertising, and related expenses). An additional amount of N6,700,000 will be required as start-up assets. The start-up costs are to be financed in equal portions by the owners' personal funds and by a N3,000,000 five years loan.

Name of customer	Size of deal	Date P.O. Expected	Probability% of getting sales
Full-Time Working Couples			60%
Part-Time Workers / Drop-Ins			40%

SECTION NINE

FUNDING REQUIREMENTS

The funding requirement for this project is N7,000,000 as the promoter is committing N4,000,000 into the project.

9.1 SOURCE OF FUND

- Promoters' fund- N4,000,000
- Bank lending- N3,000,000

9.2 PURPOSE OF THE FUND

The funds are required for staffing, equipment, risk analysis, research and development, marketing, contingency plan and exit strategy.

9.3 RISK ANALYSIS AND MITIGANTS

This project has been subjected to risk analysis for the purpose of identifying some risks associated there too. We have also proffered mitigates to ameliorate the negative effects of such risks on business.

S/N	IDENTIFIED RISK	MITIGANTS
1	Epileptic Power Supply	A generator shall be provided
2	Low initial demand	Aggressive marketing communication promotion shall be adopted
3	Competition	Continuous high quality care and continuous environmental scanning shall be adopted.
4	Fire out break	Fire extinguishers shall be proved and fire insurance policy shall be taken.
5	Bad debts	Verify that customers pays for service
6	Accident	Carefulness in handling equipment like clippers

9.4 CONTINGENCY PLAN

It is likely that the business may not generate enough turnovers in the first few months of starting. We therefore use the following contingency plans:

- ◆ **PRICE REDUCTION:** This will be used to stimulate customers to patronize us.
- ◆ **QUANTITY DISCOUNTS:** This will motivate customers awareness creation.
- ◆ Forming strong customer bonds and customer relationship management (CRM)
- ◆ Effective customer care, satisfaction and retention.

9.5 EXIT STRATEGY

This business will generate enough cash flows to pay off the agency loan and interest as at when due to ensure a smooth exit of investor from the business without resorting to litigation.

After this, the business will still have enough cash to continue operations. For us the owner, we do not intend to exit, rather we will pursue expansion and diversification by including dye, colouring of hair for both male and female for long term survival and profitability.

SECTION TEN

10.1 ECONOMIC JUSTIFICATION

This business is economically justified because it creates employment, wealth, leads to reduction in poverty, and encourages value orientation and people's empowerment. All these positive goals are consistent with the goals of the National Economic empowerment development strategy (NEEDS).

10.2 COMMERCIAL VIABILITY

The result of our analysis shows that this project is commercially viable in the sense that it generates adequate cash flows and good profitability return or profile to pay off its indebtedness and still expand, diversify and achieve long term survive and profitability.

10.3 CONCLUSION AND RECOMMENDATION

There is a growing trend towards specializing barbing, the high demand for quality hair cut and outdoor services is growing daily.

Based on the point of view of the analysis of our findings, the proposed project is found to be educationally feasible, commercially viable, and economically desirable.

The project offers good investment benefit. We therefore highly recommend it for funding and implementation.
